Early Years

Early Years School is a period of structured education as well as playtime for children. The students learn basic life values such as respect for authority and how to build good rapport with their peers. We share information and collaborate with parents to benefit the children.

Primary

Primary School launches students on an exciting educational journey. It lays a solid foundation for students at the start of their education before they progress through the Cambridge Pathway in an age-appropriate manner.

Lower Secondary

Lower Secondary is typically for students aged 13 to 15. It assists students in preparing for the next stage of their education by providing a clear path as they progress through the Cambridge Pathway.

Upper Secondary

Upper Secondary School is typically for students ages 15 to 17. It provides students with two pathways: Cambridge IGCSE and Cambridge International AS and A Level. It expands on the foundations laid down by Cambridge Secondary. Students begin to learn subjects that they enjoy and excel at.

Parent & Student Testimony

Enrolling our child at Terang Bangsa Christian School has been a decision we'll never regret. Over the past year, we've seen a significant transformation in his character. He has grown in faith, becoming more God-fearing and mature. The school's nurturing, Christian-based environment has shaped him into a responsible and compassionate individual. We are grateful for the guidance he receives and proud of his progress. Choosing Terang Bangsa was the best choice for our family, and we highly recommend it to other parents.

Ibu Grace

The Terang Bangsa Christian School is more than just a place that taught me academics; it also taught me how to recognize my own potential and talents. Furthermore, I was taught to have noble character in every word and action. All of this has made me feel more confident and excited about the future. I am currently preparing for my university. Thank you very much, Terang Bangsa Christian School.
